Teacher Comments:

Ava enjoys Apiti School and she quickly learnt the routines. She works hard and listens well to instructions. She realises she needs to listen and try before she asks for help. Not all learning is easy for Ava and she knows she has to work hard to achieve. She is below National Standards in reading, writing and maths but with help, understanding and support she has progressed well. She is a pleasure to teach and gets on well with the other students. Don't forget to read in the holidays and use Mathletics Sumdog and Reading eggs. Have a great Christmas and summer holiday.
